Letter dated the 19th August 1931, from Mr. Syed Ghouse, No. 2, E.No. 1 Street, Ulsoor, Bangalore, to the Collector, C. & M. Station, Bangalore.

---:0:---

With reference to our schedule of land No.103 dated 24-7-1931, I beg to state that I have purchased the vacant land and the house for Rs.500/-. I thought of building a house in the vacant land. Now, the Government required the vacant land for the public purpose. I have no objection to grant the same for the Government, provided that they take the house as well as the vacant land, because the house is very small and the value of the house reduced, if the land is taken away. It will be no use for me. I have spent for the connection of the electric installation Rs.100/-. for repairing the roof of Rs.50/- and 6 carts of mud for the vacant land and 4 stone slabs Rs.25/-, altogether Rs.675/-. If your honour may be kind enough to pay the said total amount, I am ready to accept.

I request the land should not be acquired or the whole house and the land acquired.

Statement of Syed Ghouse.

I am the sole owner of the plot propose to be acquired. I purchased in 1929 from Abdul Majid Khan the house and the plot now proposed to be acquired. I have a sale deed: as the house contains only one room, I wanted the plot of land also to build on. My request is that if the piece of land is - acquired the house adjoining should also be acquired.

That is the only objection I raised to the acquisition. Six or seven years ago there was a house on the land proposed to be acquired.
